

# ILLUSIONS OF ADULTING

by Sara Zimmerman

I'm so bummed I  
lost my earring.

I need something to  
make me feel better.

I know! Let's go get  
some chocolate.

I'll have one truffle.

And I'll have 4 truffles, 2 cookies,  
6 chocolate strawberries and a  
bag of fudge.

Hailey, you're  
going to feel  
terrible if you eat  
all of that.

No, I won't.  
Chocolate makes  
me feel better.  
Stop worrying.

20 minutes later...

Ugh... I feel horrible.

How could this  
happen to me?

Seriously?

Please tell me  
you're joking.
